March
2022

Thank You, Pat

If you missed it, Pat McCallister of WSP provided a great discussion and question and answer session at the February Social event. He represents the International Right of Way Association (IRWA) and provided great tips and interesting stories about right of way acquisition. Thank you to all those who attended and enjoyed the discussion and networking opportunities.

Work Zone Webinar Recap

The webinar was presented on February 23rd and was well attended. Thank you to everyone who participated! Senate Bill 179 would have established an automated traffic control system (photo enforcement) pilot program for work zones in Indiana. Darcy Bullock of Purdue University and Richard Hedgecock, of Indiana Contractors presented a summary of the policy goals and technical efficacy of the proposed photo enforcement pilot program. Even though SB 179 did not pass, our industry will continue to lobby for safer work zones in Indiana.

Upcoming Events

VALPARAISO UNIVERSITY
STUDENT MEETING
April 11, 2022
7:00 PM EDT to 8:00 PM EDT

Gellersen Center
Chapel Drive
Valparaiso, IN 46383

Virtual Drop-Ins

ITE is hosting Virtual Drop-In sessions recorded and posted for playback on the [ITE YouTube Channel](#) and ITE Member Forum. These sessions are Monday-Thursday from 3:00-3:30 p.m. Click [here](#) to see the upcoming or recorded sessions.

Scholarship Committee

ITE Indiana's Scholarship Committee is chaired by Sarah Baty and Co-chaired by Jim Loew this year. This committee plays a very important role in our support of student chapters. This committee distributes the annual scholarship application to Indiana schools, sets the scholarship scoring criteria, reviews all scholarship applications and submits a recommendation to the Section Board on scholarship awards. The scholarships help us support the next generations of transportation professionals. This committee just finished determining scholarship winners for this year. Thank you for your hard work!

Get Involved!

ITE – Our Success Depends on YOU! Consider volunteering today.

The Institute of Transportation Engineers, similar to many other organizations, has been built upon the willingness of many individuals sharing a collective interest to volunteer time to make things happen. It is our collective membership that makes us a successful organization, not just the efforts of a few individuals. We are all very busy (Indiana is blessed with a great infrastructure program), but we cannot forget the organizations where we get to network for those upcoming opportunities. Consider volunteering a little bit of time either at the Section or District level to help us continue to improve our events and offerings. Reach out to any Board member today to get involved! When we spread the workload out, it becomes a very manageable commitment.

Event

SUMMARY

PURDUE ROAD SCHOOL BANQUET

The Purdue Road School ITE Banquet was a great success! Student turnout exceeded expectations, especially given that this was Spring Break for the University this year.

John Davis, International Vice President Elect, and Purdue Alumnus, gave an informed presentation of the current status of ITE. In addition, Rusty Holt, Indiana ITE President, awarded the Edward J. Cox Memorial Scholarships to Rahul Sakhare, PhD candidate at Purdue University; Jacob Barkey, Junior at Trine University; Corrie Grubb, Junior at University of Southern Indiana; and Jack Bell, Senior at Purdue University (and entering Masters program upon graduation). Congratulations to all!

Thank you to all who participated and we look forward to seeing you again next year.
