Section Update

• In-Person February Tech Lunch Returns

After virtual tech lunches in February of 2021 and 2022, the Section held an in-person tech lunch on February 16, 2023. About 60 people attended the event at INDOT's Indianapolis Traffic Management Center, which was a discussion panel on pedestrians and vulnerable road users. The panelists, Herb Davis and Luis Laracuate from INDOT, and Jill Palmer from Indy DPW did an excellent job highlighting the challenges and best practices on this issue from their perspectives.
